PERUGIA, ISPIRAZIONE

Accademia Amsterdam invites amateurs, (music) students and teachers to an exciting summer course dedicated to baroque chamber music. Friends, partners and other interested people, can follow a varied side programme with courses in painting, drawing, traditional ceramics decoration and original Italian "cucina". On the day of arrival the musicians of Accademia Amsterdam will treat participants to an inspiring concert. Students present themselves in the beautiful Auditorium Marianum of the Istituto Musicale "G. Frescobaldi", in the historical centre of Perugia, where the courses are mainly held.

The historical and artistic beauty of Perugia and the gentle landscape of the Umbrian hills serve as source of inspiration. Particular attention is paid to the overall interpretation of the early baroque period up to classicism. Architectural elements of antique buildings, still lives and so called "vedute" can serve as subjects for the arts.

Accademia Amsterdam invita studenti, dilettanti e insegnanti di musica ad un corso estivo emozionante dedicato alla musica da camera barocca. Amici, partner e altre persone interessate, possono seguire un programma collaterale con corsi di pittura, disegno, decorazione ceramica tradizionale e cucina italiana. Il giorno d'arrivo i musicisti dell'Accademia Amsterdam terranno un concerto introduttivo nel bellissimo Auditorium Marianum dell'Istituto Musicale "G. Frescobaldi", nel centro storico di Perugia, dove si terranno i corsi. Le bellezze storiche e artistiche di Perugia e il dolce paesaggio delle colline umbre saranno utilizzati come fonte d'ispirazione. Per la musica, particolare attenzione è rivolta all'interpretazione del primo periodo barocco fino al classicismo.

WHO CAN ATTEND?

CHI PUÒ PARTECIPARE?

Courses are accessible to all instrumentalists, singers and people interested in the arts and are open to all ages, from moderately advanced amateurs to college of music students. Music teachers (who bring in their students) can follow advanced interpretation workshops. The experienced musicians of Accademia Amsterdam will coach singers, wind-, string- and keyboard players of both modern and historic instruments. Individuals as well as ensembles are welcome. The courses in arts and cooking are suited to any level.

I corsi sono accessibili a cantanti, strumentisti e alle persone interessate alle arti e sono aperti a tutte le età, dai dilettanti di buon livello fino agli studenti di musica. Insegnanti di musica (che iscrivono loro studenti) potranno seguire laboratori d'interpretazione avanzata ad un prezzo scontato. Saranno aperte le cattedre di canto, oboe, flauto dolce, violino e violoncello barocco e clavicembalo e basso continuo.

WHERE TO STAY?

DOVE DORMIRE?

Just outside the city walls, amongst olive groves, we find agriturismo Borgo Casale dell'Angelo, where guest-students can stay in luxuriously restored apartments. Participants wishing less luxurious accommodation can find lodgings in 'ostelli' in the neighbourhood and in the historic centre of Perugia. In front or very close to Istituto Musicale "G. Frescobaldi" are affordable hotels.

Appena fuori le mura della città, tra uliveti, troviamo l'agriturismo Borgo Casale dell'Angelo, dove gli ospiti, gli studenti possono soggiornare in appartamenti ben ristrutturati, altrimenti in città o subito fuori vi sono ostelli e alberghi.

EXCURSIONS

ESCURSIONI

While we emphasize on making music and create arts together, some time will be dedicated to excursions to one of the local cultural highlights in Perugia or the surroundings. For those interested, we will organize a visit to one of the most prestigious historical villas in Umbria, Villa Monticelli, where we can taste the rich olive oil from the 'tenuta'.

Sarà dedicata una giornata a chi vuole fare delle escursioni in città o nei dintorni, a monumenti caratteristici o a Villa Monticelli, una delle ville umbre più prestigiose.

LOCAL KITCHEN

CUCINA LOCALE

Of course we do not forget the good living: dinners are being served in the proper Italian way, in one of the typical Perugian restaurants, called "Locanda degli Artisti". On the last day, the results of the courses in arts can be exhibited on the walls and you can enjoy the Umbrian traditional kitchen during the final party dinner.

Le cene su prenotazione si consumeranno alla "Locanda degli Artisti", tipico ristorante locale.
